The Mortuary Science Club is sponsoring a month long campus wide campaign to help fulfill the wish lists of two very gracious local organizations. These organizations have helped in providing shelter and support to women who have fell victim to domestic abuse and violence, and to children who have been abandoned and neglected. These organizations have given way for a second chance to those who deserve it.

Please take part in helping someone get a fresh start on life.

Drop your donation off at the table in the main lobby or Room 206
